

AKΨ Gamma Nu Application

Full Name: Gloria Lee

Expected Graduation Date (Month/Year): 05/2021

1. Have you previously rushed Alpha Kappa Psi? (Yes/No)

No, I have not previously rushed Alpha Kappa Psi.

2. What other organizations/extracurriculars are you a part of?

I just joined and would like to become an active member of the Babson Consulting Association and the Babson Asian Pacific Student Association.

3. How will you contribute to the fraternity? (max 300 words)

I will contribute to the fraternity by bringing my bubbly personality. I like talking to people and getting to know them and believe that I could do a good job of encouraging others. I am also a hard worker, so I know that I could bring my work ethic to the fraternity.

4. How do you measure success? (max 300 words)

I measure success by the results yielded by the effort put in. If someone has the same results as another person who did not work as hard, then I would only consider the first person successful because they knew how to work for what they wanted.

5. What previous experience from your past makes you feel like you relate to AKPsi?

I think that I could relate to the brotherhood aspect of AKPsi because I was a part of a very strong and tightknit community at my church back home. We were always able to rely on each other and were able to ask one another for advice on anything. I could relate to the business aspect of AKPsi because my parents own a small business, so my life has revolved around watching my parents interact with vendors and customers.
