1. What are your short term and long term professional goals? How do you think Alpha Kappa Psi can help you in your professional endeavours? (200 words max)

Having been invested in the subject of finance and psychology, I am drawn towards professional careers in the field of corporate finance and consulting. My goal for the short run is to learn about the industry and develop my professional skills as much as possible, either through the classroom setting, social environment, or internship program. Although my goals have evolved through researches and experiences, I'm confident of my passion for pursuing a career as a corporate finance consultant. My ultimate goal is to utilize all of the knowledge that I acquired, to expand my family business and give back to the public, whether to the people who had help me to reach my success or lending hands to those who are in need of help. The knowledge and experience that Alpha Kappa Psi offers would shape my ability to challenge myself in the financial world and build my foundation of a professional network. Through the learning process and preparation, I am sure that I could strive to succeed my goals with the support from the brothers.

2. If you were a brother of Alpha Kappa Psi, what would you contribute to the brotherhood? 150 words max)

Through the cultivated knowledge and skill that I would acquire from the brothers, I hope to apply those valuable understanding to my professional career. These skills would surely lead me to succeed in life, and I am more than confident that once I reach my career goals, I would make a name for the AKPsi brothers and give back to the organization as much as I could. Also, coming from a diverse background, my open-mindedness and my willingness to learn allows me to connect and build relationships with others easily. All together with my ability to adapt and desire to be intellectually challenged, I believe that I have the personality to succeed and expand the connection to support the brotherhood. Lastly, I am hoping to pass on my knowledge and create impactful experiences to the potential future AKPsi members.

3. Out of all the applicants, what do you think makes you unique? Why do you believe you should be extended a bid? (200 words max)

As a motivated and independent person that I am, I believe that AKPsi and I share the same visions. My strong understanding about the purpose and history of AKPsi developed through events, talking to brothers, and personal research are factor that makes me unique from other applicants. It is true that each of us came from a different background and had different interests, but one thing that I feel like the brothers and I share is the sense of unity and drive to succeed. I am willing to dedicate my time and efforts to helping other brother and build an honest relationship. Also, I want to be connected with people of similar drive and value. For instance, the brothers may provide me with informations about professional development in consulting through mentorship programs or learn to network with professions within industry to gain first hand knowledge. I believe that my dedication and honestly will allow me to build a trustful relationship and improve the already renown Babson AKPsi. By sharing the same values and wholeheartedly willing to engage with other members, I believe these sense of empathy, integrity, and understanding are what distinguish myself from the other applicants.
