

1. What are your short term and long term professional goals?

My short term goal is to try as many fields that I am interested in as possible, by utilizing resources around me and discover my concentration or my real passion in a long run. My long term goal would be possibly working in US after graduation and make enough money to start my own businesses.

2. Based on what you know so far, how do you think Alpha Kappa Psi can help you in your professional endeavors?

Akpsi can definitely help me to achieve my short-term professional goal, which is finding out my professional interests. By talking to the brothers about what they are concentrating at and what they are working on can give me more ideas about what I can do as my careers. Also, Akpsi has so many connections I can make and so many resources that I can utilize.

3. If you were a brother of Alpha Kappa Psi, how would you contribute professionally to brotherhood?

Actively participate in every events and befriend with the brothers, who are some of the most motivated and passionate students in Babson. After I gradually became more and more experienced and gain more resources, I will share my professional experiences with brothers and share my business or professional resources with brothers. And for now, I can always give advices to brothers about their professional field or their businesses.
