Under no circumstances will late applications be accepted. You **MUST** submit an application in order to move on in the rush process!

1. What are your short term and long term professional goals? How do you think Alpha Kappa Psi can help you in your professional endeavors? **(200 words max)**

**My short term professional goals is to either have a career in finance or business analytics. I have always liked working with data and would want to pursue this in a large beauty corporation because I have a passion for makeup as well. My long term goals are to start my own business after I have the financial stability to. I think Alpha Kappa Psi can help me in my professional endeavors because of the way brothers help and treat one another in AKPsi. From the stories I have heard, I know that the brothers of AKPsi are willing to help each other out for interview prep, reaching out to connections, and resume workshops. I believe that with that support, it will help push me to become better.**

2. If you were a brother of Alpha Kappa Psi, what would you contribute to the brotherhood? **150 words max)**

**I would contribute my time and effort to making Alpha Kappa Psi better. Although I may not have many technical skills yet, I would be a dedicated brother and put all of my effort in. Everything that I put my mind to, I like to go through with it wholeheartedly. I am**

**passionate and always try to put my best foot forward. I want to learn about the brotherhood and be able to share that experience with future AKPsi members.**

3. Out of all the applicants, what do you think makes you unique? Why do you believe you should be extended a bid? **(200 words max)**

**I am unique in my ability to be calm in any situation. I think that that skill has allowed me to become a stronger person and focus on the task/situation at hand rather than losing control. I am a great listener and truly like to help others even if I am having trouble. When I was the captain of the bowling team in high school, it was important to stay calm and not let the pressure get to you. I was proud to be the person that everyone on the team could go to if they were feeling stressed or wanted to cool off. I think it is difficult to confidently say that your friends will truly be there for you. I am genuine and “what you see is what you get.”**
