RESPONSES

1. My short term goals are to develop my business idea, engage in several different externships to explore my career options, build my resume and LinkedIn, and start a new Model UN club on campus. My long term goals are to translate my business idea into a running venture, secure internships in my choice of companies and ensure the success of the MUN club.
2. Alpha Kappa Psi, I believe, is a close-knit strong community of brothers with meaningful networks and experiences. Multiple brothers from the e-tower will help me grow my business idea into a venture. The other brothers with immensely diverse backgrounds will help me explore my career options with their supreme connections and internships. Brothers from or closely related to the SGA will help me get permission and funding for my desired MUN club.
3. If I were a brother, I would give my heart and soul to AKPSI. I would leverage my personal network to help other brothers get internships. I would seek and give advice on resume building and LinkedIn. I would help other brothers with all their school work I am good at. I will be an active listener and an engaging member helping to create a vibrant social and professional atmosphere through organizing a host of events.
