Full Name:

Alejandro Jiang

Expected Graduation Date (Month/Year):

May 2019

1. Have you previously rushed Alpha Kappa Psi? (Yes/No)

No

2. What other organizations/extracurriculars are you a part of?

I am on the E-board of ALPFA (Association of Latino Professionals For America) now, and a mentor in BAPSA.

I am also an member in Babson Equestrian Club, CSA and E-tower.

3. How will you contribute to the fraternity? (max 300 words)

First I would do my best to learn from brothers of Akpsi. I will try to get to know about Akpsi culture as much as I can, make sure I participate in the Akpsi events such as community services and get career development advices given that Akpsi is such a strong professional network.

Akpsi is a professional fraternity that involves learning and giving back and I will be more than willing to utilizing the knowledge and resources I have to help other brothers. I will also be active in the development of the organization itself, such as recruiting and holding events.

4. How do you measure success? (max 300 words)

I believe there are no clear qualifications for success and in order to achieve success, people should keep working, learning and delivering value. To be more specific, I think of success as a concept relative to a previous status. Success should not be evaluated according to wealth, fame or other mainstream standard and is not comparable among different people. Even the most successful man in public opinion is not perfect and has the potential of achieving more success.

5. What previous experience from your past makes you feel like you relate to AKPsi?

I never feel like I am related to Akpsi before I came to Babson. From where I grew up, people do not socialize in professional networks and using family connection to find jobs. After rushing for Akpsi, I realize that this is a tight-knit group of professionals who genuinely care about their fellow brothers' passions and interests. Although I do not have a past experience that relates to Akpsi, I can still see the value I can receive and contribute to Akpsi.
