1. What are your short term and long term professional goals? (75 words max)

As for my short term goals, I want to experiment in the financial field through mentoring internships. I want to experiment with Funds, Private Equities and Portfolio Management in order to identify what is the best fit for me. As for my long term goals, I would like to work in one of the fields mentioned above, with the most important factor being what actually inspires me to give all my effort to it.

2. Based on what you know so far, how do you think Alpha Kappa Psi can help you in your professional endeavors? (75 words max)

I feel that AKPsi will help me to learn the fundamentals of the business world. Specifically, I believe that through the close community of AKPsi, learn more about the business world and thus get prepared for my career in the future. Through the shared experiences, I seek personal development in both business and personal life. Lastly, networking is another important factor which is needed in a professional career and which I believe AKPsi can offer.

3. If you were a brother of Alpha Kappa Psi, how would you contribute professionally to the brotherhood? (150 words max)

When I expect to get something, I also expect to give something. As a result, I will try to help my peers and brothers in AKPsi by sharing my experiences and knowledge. I will try to help the AKPsi community to succeed as much as I can, which is also what I expect from AKPsi. As such, I will try to increase the AKPsi's network by adding on it my own network (current and future), which will create opportunities for brothers so to get important experience, learn and also in the future be able to succeed professionally, as much as they can. As a result, as I said in the beginning I do not only expect to receive help, but I also expect to contribute in a community and help my peers, as I feel that we all have one goal, to create opportunities and share our experiences all together.
