2. What other organizations/extracurriculars are you a part of?

Babson ETower

Alpha Epsilon Pi Rush

3. How will you contribute to the fraternity? (max 300 words)

I plan to contribute to the fraternity not only as a member, but in a leadership role. I have shown leadership not only in running my own company, but in organizations such as DECA, Student Voice, Student Government, and Varsity Golf. I plan to bring professionalism and a great network for building connection to AKPsi, available to reach out to at any time for any problem.

4. How do you measure success? (max 300 words)

I measure success not in dollars, but in personal achievement. I believe that if one sets goals for himself, and achieves them, than that is success. Personally, success is being genuinely happy, and providing positive value for as many peers and loved ones as possible.

5. What previous experience from your past makes you feel like you relate to AKPsi?

As previously stated, I have been in many leadership roles, and believe I can bring this value to AKPsi, with hopes to one day be on the executive board. Also, I have four years of business ownership and experience under my belt with running Boston Got Sole. This has taught me about professionalism, business, and how to create and maintain valuable connections with colleagues, classmates, and friends.
