Delphian School (high school) graduate.

Class of 2017

Based on rigorous academic and extracurricular achievement, a senior must be invited to be an honors graduate. Then propose and carry out a significant capstone project.

Career Exploration: Philanthropy meets Branding

Aware of the problems in my own community and beyond, I seek to improve all sectors of our society, starting with the influence I can have within my town. As an artist, I believe that proper marketing and branding create better awareness and a more favorable environment for nonprofit organizations to make great ideas more impactful.

2015 - Present DRUG EDUCATION

Wilamina Elementary School, Sheridan Elementary School

Beginning in sophomore year taught a drug education seminar at the Wilamina Elementary School, where students are accustomed to drug abuse. After seeing the impact the seminar had on the students went on to propose a similar drug education seminar to the School Board of Sheridan for their elementary school. Arranged the continued operation of this seminar by fellow Delphian students (currently running).

2017 GOOD CHOICES SEMINARS

Grand Ronde Indian Reservation, Juvenile Detention Center

Wrote curriculum for a seminar about leading a happier life and obtained permission to teach it to Grande Ronde Indian Reservation elementary schoolers, many of whom are survivors of drug and physical abuse. Currently implementing advanced version of seminar in Yamhill County Juvenile Detention Center.
