47 Green Vw Nashville, TN
(615) 854-6408 – jmullendore1@babson.edu

Education

Babson College '21

- First semester Dean's List recipient
- Planning to study Finance with a focus on Technology Consulting

University School of Nashville '17

- Graduated with a 3.7 / 4.0 GPA unweighted with AP credits
- Scored a 1480 / 1600 on the SAT standardized test

Engineering and Leadership Projects

2017op 31 Eagle Scout

- Eagle Project: Built wheelchair accessible picnic tables for Abe's Garden, a local dementia care center. Also coordinating activities between USN lower schoolers and Abe's Garden patients.
- Member of Boy Scout Troop 31 since 2009.
- Completed over 130 nights of camping, including two weeks at Philmont Scout Reservation in Cimarron, NM

Vanderbilt Product Design and Development

- Chosen for a program at Vanderbilt University Innovation Center Product Design and Development.
- Tasked with fixing a medical problem at the Vanderbilt Children's Hospital using engineering techniques and economic insights.
- Collaborated with an MBA student and two Engineering Science undergraduates to develop a product solving the problem of IV needle infiltration in toddlers
- The IV infiltration problem happens 60 times a month at the Children's Hospital and keeps patients in the hospital longer, as well as costing the hospital more money.

Relevant Work

Babson SBCP Consultant

- Former consultant for sustainability company No Fossil Fuel LLC where I was tasked to develop and market progressive and environmentally friendly agriculture additive products.
- Collected data and developed business proposals to guide the company towards forming contracts with the growing number of marijuana farms in Massachusetts

Work Experience

- Employed as an IT Service Technician for Babson College
- Selected to fix Babson network and server issues with a specialty in hardware repair
