You **MUST** submit an application in order to move on in the rush process!

1. What are your short term and long term professional goals? How do you think Alpha Kappa Psi can help you in your professional endeavors? **(200 words max)**

My immediate goal is to go law school after Babson. I hope to become a lawyer specializing in corporate and international law, working in investment bank or corporations. Therefore, I plans to concentrate in finance and economics in Babson. My long term professional goal will switch from private sector to public sector. I want to work for either government agency in china, or non-profit institution such as UN, the World Bank.

AKPsi will definitely assist me in achieving my career goal. It offers a great networking opportunity. I can develop lifelong friendship with brothers in babson. All those brothers I have met through event are talented, passionate on what they are doing. Being with a group of motivated people like them will always remind me to pursue what I dream. Academically, I get to access more information on classes, professors, study abroad opportunities from other brothers, which enables me to make a better decision, getting a

higher GPA. Professionally, higher classmen brother can instruct me on internship application, honing my interview skills, helping me polish a more outstanding resume. Also outside campus, I can more easily hang out with Akpsi people who goes to different school. What's more, AKPsi is like a family. Being a international student away from home, it gives me a sense of belonging.

2. If you were a brother of AKPsi, what would u contribute to the Brotherhood ? 150 words max)

I am really creative on event planning. I had past experience backed in high school on planning school carnival for over 5000 students each year. I know how to manage budget smartly from planning, implementing to advertising. As for boston area, I have gathered a lot of chinese resources in last year, such as chinese restaurants, local business who are willing to sponsor student events. I have the confidence to offer a more engaging and interesting events for AKPsi if I were a brother.

3. Out of all the applicants, what do you think makes you unique? Why do you believe you should be extended a bid? (200 words max)

My interest into Middle East culture definitely distinguish myself from other applicants. Inspired by my curiosity on Muslim culture, I have been learning Arabic language for one year now.(still learning outside campus) In order to know more about Arab culture, I work as a intern for Center of Arabic Culture in Boston. This upcoming winter, I will volunteer in the refugee camp in Greece for one month, specifically helping Syrian children to access better education.

The amount of time and effort I invested into a foreign culture shows my perseverance over things I am passionate about. I always challenge myself and explore my potential, just as choosing to learn one of the most difficult language. I have that global horizon a new-era elite needs from my US education, my Chinese background, and my obsession over Arab Culture. Your bid will not only end up in a good investment but also helps a motivated

chinese girl one step closer to a future international business lawyer carrying the attributes of a AKPsi brotherhood.
