

**1. What are your short term and long term professional goals? (75 words max)**

For this summer, I am trying to find a marketing intern opportunity in a big Internet Technology company or consumer product company. In the following year, I also want to explore my interests in consulting and VC.

As for the long term, my professional aspiration is to be able to run my own social enterprise that can have a positive impact in the lives of people.

**2. Based on what you know so far, how do you think Alpha Kappa Psi can help you in your professional endeavors? (75 words max)**

From both last semester and this semester, I gained many insights from the experience of many brothers in AKPsi. No matter what career interest I had in mind, I could always find one brother who has similar interest to talk to. I was amazed by how many great things some brothers have done.

Also, through attending all the networking events held by AKPsi, I find myself become better at communicating with people from different backgrounds.

**3. If you were a brother of Alpha Kappa Psi, how would you contribute professionally to the brotherhood? (150 words max)**

If I were a brother of AKPsi, I would first actively contribute in all professional events organized by AKPsi. Building up a great professional environment in the brotherhood require

every brother's contribution. I will unconditionally share my own professional knowledge and experience with brothers.

Also, as an AKPsi brother, I would persistently empower myself professionally by using high ethical standard. If I have a little, I would love to providing mentorship opportunity to assist my little in navigating college from a personal and professional realm. Having a opportunity to mentor and grow with someone together would be a tremendous experience I would love to do.

At last, I have multiple experiences in event planning, social media marketing, and human resource management. I believe I can contribute my professional abilities in AKPsi from many different ways.
