Questions

1. What are your short term and long term professional goals? **(75 words max)**

My short term professional goal is to find a paid summer internship in the field of the culinary arts, focusing on the growth of sustainable crops and the creation of an environment-friendly gastronomic experience. My long term professional goal is to gain work experience through internships in order to decide if I want to pursue a job in an existing corporation or business, or if I want to start something of my own.

2. Based on what you know so far, how do you think Alpha Kappa Psi can help you in your professional endeavors? **(75 words max)**

I believe Alpha Kappa Psi would help me improve my networking skills, allowing me to increase my contacts and consequently obtain more professional opportunities. Additionally, I know that Alpha Kappa Psi would provide a family of diverse and fun individuals, all willing to support me and guide me through the professional career I decide to pursue.

3. If you were a brother of Alpha Kappa Psi, how would you contribute professionally to the brotherhood? **(150 words max)**

As an Alpha Kappa Psi brother, I would contribute professionally with my experience in providing customer service, hence being able to be a good listener and provide empathetic responses, as well as constructive feedback. Additionally, I would be able to expand Alpha Kappa Psi's international network since I am from Guatemala and I keep relationships both there and in the United States. I would also assist the fraternity as a cooperative brother, since my flexibility allows me to be involved and assist in what is possible.
